Auto/Mate Announces Integration with 700Credit, Providing Auto Dealers With Complete Access to Credit Services

ALBANY, N.Y. – January 30, 2013 – Auto/Mate Dealership Systems (http://www.automate.com) announced today that its AMPS Dealership Management System (DMS) is fully integrated with 700Credit, the automotive industry's leading provider of consumer credit reporting and compliance products. Auto dealerships using AMPS now have complete, seamless access to 700Credit's web-based credit reporting system and its numerous compliance and consumer information products.

"Having a fully integrated solution enables dealerships to instantly send and receive credit data, saving time and allowing them to service their customers more efficiently," said Mike Esposito, President and CEO of Auto/Mate. "Additionally, access to 700Credit's compliance solutions helps dealers to stay compliant with the growing number of regulations, and to avoid costly mistakes."

700Credit offers a variety of credit reporting services including credit reports and FICO scores; compliance solutions including Adverse Action, OFAC terrorist screening, Score Disclosure, Fraud Detection and "RedFlag" identity theft program requirements.

"The integration with Auto/Mate's DMS gives more than 900 dealerships complete, instant access to our credit reporting and compliance solutions," said Ken Hill, Managing Director with 700Credit. "In today's market the ability to save time and not have to worry about the legal ramifications of various regulations brings dealers' peace of mind while increasing profitability."

About 700Credit

700Credit is the automotive industry's leading solution for credit reporting and compliance products and services. Products and services offered include credit reports, OFAC compliance, adverse action, fraud detection, score disclosure, online credit applications and more. 700Credit exists to provide its clients with the highest quality data in the most time efficient manner possible.
